

The Stonewall Project is a family of programs dedicated to providing counseling, treatment, information and support to gay, bi and transmen who have sex with men who are having issues with drugs and/or alcohol. As a program rooted in harm reduction, all substance use goals ranging from safer use, to managed use, to reduced use, to partial abstinence, to complete abstinence are supported and welcome. Services are confidential and free of charge.

Walk In Program: Each week, Stonewall offers walk in groups, book clubs, harm reduction education opportunities, syringe access, individual counseling and wellness services like massage and acupuncture. No paperwork, no intake, no waiting. You decide what services are a good fit. **Learn more about Stonewall Project by attending Orientation to Stonewall on Wednesdays** (Specific details for this group listed in the Wednesday section below)

Structured Enrolled Program - To Enroll:

- First, visit us for a walk in counseling session 4PM M-F at 1035 Market St., 4th floor or Strut at 470 Castro St.
- Attend as many walk in services (orientation groups, acupuncture, etc.) as you would like and check out our programs
- You'll be contacted by and scheduled to meet Stonewall's Intake Coordinator.
- Continue attending walk in services. As space is available, the Intake Coordinator will match you with a skilled counselor.

Enrolled clients agree to meet with their counselor once a week for six to eighteen months and attend two groups each week designed to support their substance use goals.
